

**CANDIDATE FOR TOWN COUNCIL MEMBER
TOWN OF YUCCA VALLEY**

NAME: REGGIE G. MCATEE

AGE: 40

OCCUPATION: Independent Contractor/ Realtor

I have been a resident of and have worked in Yucca Valley for the past 12 years. Prior to becoming a Realtor, I was part of a local Grocery Management Team for 10 years. My living, working, and community involvement allow me to know many of our citizens and local businesses. I am fond of our community as a whole; its people and the environment. Yucca Valley is now at a point of transition and it faces various community decisions ahead. It will take dedication, commitment, and team work by the Town Council and the people of the our community to develop our town in a responsible manner.

I will successfully represent the people and the businesses of our community by listening to you and being your voice as a Council Member. My professionalism, integrity, and personal contacts locally provide me the opportunity to serve you in a fair and ethical manner. My goal is to protect our natural resources and the community itself as we continue to grow.

A vote for me is a vote for an active dialogue between the Town Council and the People of The Town. Thank You.
